Our God Saves

Key - D

Words and Music by Paul Baloche and Brenton Brown

Verse

In the Name of the Father in the Name of the Son
In the Name of the Spirit Lord we come
We're gather'd to-gether to lift up Your Name
To call on our Savior to fall on Your grace
Hear the joyful sound of our offering
As Your saints bow down as Your people sing
We will rise with You lifted on Your wings
And the world will see that

Chorus

Our God saves our God saves
There is hope in Your Name
Mourning turns to songs of praise
Our God saves our God saves

My Savior my God

Aaron Shust

Verse 1

I am not skilled to understand, what God has willed, what God has planned
I only know at his right hand, stands one who is my Savior

Verse 2

I take him at his word and deed, Christ died to save me this I read
And in my heart I find a need, for him to be my Savior

Bridge

That he would leave his place on high And come for sinful man to die
You count it strange, so once did I, before I knew my Savior

Chorus

My Savior loves, my savior lives
My Savior's always there for me
My God he was, my God he is
My God he's always gonna be

Verse 3

Yes, living, dying; let me bring, my strength, my solace from this spring
That he who lives to be my King, once died to be my Savior (to bridge)
